National Anthem and AU Anthem

Namibia, land of the brave  
Freedom fight we have won  
Glory to their bravery  
Whose blood waters our freedom

We give our love and loyalty  
Together in unity  
Contrasting beautiful Namibia

Namibia our country  
Beloved land of savannahs,  
Hold high the banner of liberty

Namibia our Country,  
Namibia Motherland,  
We love thee.

Let us all unite and celebrate together  
The victories won for our liberation  
Let us dedicate ourselves to rise together  
To defend our liberty and unity

O Sons and Daughters of Africa  
Flesh of the Sun and Flesh of the Sky  
Let us make Africa the Tree of life

Let us all unite and sing together  
To uphold the bonds that frame our destiny  
Let us dedicate ourselves to fight together  
For lasting peace and justice on the earth

O Sons and Daughters of Africa  
Flesh of the Sun and Flesh of the Sky  
Let us make Africa the Tree of life

Let us all unite and toil together  
To give the best we have to Africa  
The cradle of mankind and fount of culture  
Our pride and hope at break of dawn

O Sons and Daughters of Africa  
Flesh of the Sun and Flesh of the Sky  
Let us make Africa the Tree of life

## MRS. ILANA CALITZ: WELCOMING ADDRESS

Today is a celebration of achievement, hard work, and resilience. I stand before you with great pride as we recognise the outstanding accomplishments of our 952 graduates from all 14 regions of Namibia. Today is a day that will be remembered, not just as the conclusion of your academic journey, but as the beginning of a new chapter as members of the IOL alumni community. Before we dive into celebrating you, our graduates, I'd like to take a moment to warmly welcome everyone here today. First, to our invited guests and our tutors who worked tirelessly under some difficult and pressured circumstances, thank you. Your commitment and dedication have not gone unnoticed, and it's an honour to have you here.

To our IOL staff members, each of whom may have played a significant role in the lives of our students, whether you are a course coordinator, assistant, counsellor, a call centre agent, an admissions advisor, an exam officer, or a registration officer, thank you. Your efforts have ensured that these graduates could succeed.

And finally, a very special welcome to the family and friends of our graduates. Without your unwavering support, encouragement, and perhaps the occasional reminder to stay focused, today might not have been possible. As the saying goes, 'It takes a village to raise a child,' and I believe it also takes a village to graduate a student. You are part of this success too.

Graduates, this is your day, and I hope you feel immense pride. After today, you are no longer simply students, you will join the esteemed ranks of our IOL alumni, a community that you will remain a part of for the rest of your lives. You are now the representatives of IOL in the world, and the success you achieve will reflect back on us, serving as an inspiration for future students.

As Ralph Waldo Emerson wisely said, "What lies behind us and what lies before us are tiny matters compared to what lies within us." And what lies within you (knowledge, determination, and resilience) will carry you through all the challenges and opportunities life presents. You have persevered through coursework, personal responsibilities, and moments of doubt to stand where you are today. You are ready.

Now, let's not forget, joining the alumni network comes with its own responsibilities! We expect you to stay in touch, share your success stories, and maybe even help out the next generation of graduates. Don't worry, we won't be waiting by the phone, but a friendly call or two never hurts. As you move forward, remember the values that have brought you here today: curiosity, perseverance, and the courage to dream big. You now have the power to make a difference, to shape the future, and to leave your mark on the world.

So, as we prepare for you to toss those caps into the air, know that this isn't just the end of an academic journey, it's the beginning of something far greater. Welcome to the IOL alumni family! We are incredibly proud of each and every one of you, and we can't wait to see what you accomplish next.

Congratulations once again!

## MRS. ANNA NALILONGWE IMALWA: VOTE OF THANKS

Ladies and gentlemen, esteemed guests and graduates, good morning!

It is a great pleasure and honour to stand here to deliver the vote of thanks on behalf of the entire IOL community.

First, I would like to extend our heartfelt gratitude to the organising team for their outstanding planning and execution. Thank you for putting together such an incredible event, your hard work has truly paid off.

To our guest speaker, Minister of Education, Arts and Culture, and Member of Parliament, Hon. Anna Nghipondoka, we are truly honoured by your presence today. Thank you for accepting our invitation and gracing us with your impactful address. Your presence made this event both significant and memorable.

To our own IOL CEO, Ms Ilana Calitz, thank you for your warm welcoming remarks. I am sure our guests felt incredibly appreciated, thanks to your gracious words.

To our spiritual shepherd, Reverend Joseph Joseph Hanghome, thank you for blessing this occasion with your uplifting sermons. We are grateful for the spiritual nourishment you provided, and we all felt truly blessed this morning.

Furthermore, we would like to extend our sincere gratitude to our Regulatory Authorities for their unwavering support and for ensuring our compliance with national standards in the education and training sector. Your work guarantees that quality products are produced at IOL, and for this, we are thankful.

our stakeholders and various institutions of higher education for their continued support, engagements, networking, partnerships, and collaborations. Let us continue working together to contribute to the national development of our country. As Sydney Harris once stated, "The whole purpose of education is to turn mirrors into windows." Indeed, by joining hands, we can transform those mirrors into windows of opportunity.

To our wonderful staff members at IOL, as well as our Tutors and Moderators, your dedication and hard work are truly second to none. You consistently exceed every expectation, and without your concerted efforts, IOL would not have produced the 2024 cohort. I must also extend a special thank you to our Academic Advisory Board members, who played a significant role in approving these awards.

To our saxophonist, thank you for your fantastic and wonderful performances. The saxophone music added the perfect touch to the event, creating a delightful atmosphere. It was truly a special form of entertainment.

We must also express our deep gratitude to the family and friends of our graduates. Your support, encouragement, and sacrifices have made this achievement possible. Thank you for standing by our graduates every step of the way.

A special mention must also go to Trustco's marketing team for their unwavering support in recording this occasion and taking photographs, ensuring that these memories will be cherished forever. Thank you for capturing this special day.

To our esteemed guests and everyone who joined us today, thank you for being part of this important celebration.

Lastly, to our graduates, I applaud you for your tenacity, strength, and resilience in completing what you started. Without your hard work and determination, we would not be here today. It is because of you that IOL proudly hosts this ceremony. Congratulations to each and every one of you!

As you move forward, I want to reiterate what Ms Calitz emphasised earlier this morning. As part of the IOL family, we urge you to stay in touch with the institute by becoming active members of the alumni network. You are now IOL ambassadors, and it will be our honour to welcome you into the alumni community.

**Thank you, and have a fantastic day!**
